

Brandt Aqua Bio-Trol Liquid

Microbial Pond Clarifier

General Information

AQUA BIO-TROL LIQUID is the safe, natural way to establish and maintain cleaner pond and lake water without chemicals. AQUA BIO-TROL LIQUID eliminates pond scum and green, soupy conditions, while eliminating foul odors. AQUA BIO-TROL LIQUID will improve water clarity and digest excess organic matter in ponds, lakes and fountains.

AQUA BIO-TROL LIQUID is a microbial system formulated to expedite the establishment of beneficial microbial populations in aquatic environments. This biologically diverse formulation contains 58 strains of select aerobic and facultative bacteria capable of biodegrading cellulose, lignin, hydrocarbons and other organic contaminants in ponds, lakes and aquaculture settings. Many of the strains also serve to reduce excess nitrates and phosphates from the water column. Typically, you will see an improvement in water clarity within 2 weeks of implementing the program, provided adequate dissolved oxygen levels are maintained!

AQUA BIO-TROL LIQUID reduces levels of harmful nitrates, ammonia and organic sediment. AQUA BIO-TROL LIQUID is effective under a wide range of climactic conditions, an enhancement for all aquatic life. Non-toxic AQUA BIO-TROL LIQUID is safe for fish, plants and applicators.

Manufactured By:
Brandt Consolidated, Inc.

Active Ingredients

A proprietary blend of 58 strains of aerobic and facultative beneficial bacteria @ a minimum concentration of 6.6×10^7 CFU per ml (including *Bacillus subtilis*)

Directions for Use

AQUA BIO-TROL LIQUID is most effective when water temperatures range from 50° to 100° F. For best results, provide adequate surface or subsurface aeration. Subsurface aeration is preferred. For maximum efficiency, assure a minimum of 5-6 % dissolved oxygen. Apply by distributing AQUA BIO-TROL LIQUID as much as possible around pond and lake edges. Avoid dumping AQUA BIO-TROL LIQUID in one location.

Pond Treatment	Initial (weekly)	Next 3 Weeks Maintenance	Monthly Volume
Acre Foot (325,900 Gal)	4 gal	2 Qt	2 Qt
10,000 CuMt	12.3 Liter	1.5 Liter	1.5 Liter

KEEP OUT OF REACH OF CHILDREN CAUTION

Avoid contact with skin. If product comes into contact with skin, wash thoroughly. In case of eye contact, wash thoroughly with clear water. If irritation persists, contact a physician. Harmful if swallowed.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.
